**AFPC**

**What we need from you**

# How You Can Help

**AFPC**

- **CST and DP reengineering will not bring more manpower — it will bring less**
- **OSD and AF seniors understand CST; do your Personnelists understand?**
  - **Many applications in this brief are being fielded to support CST and A-76 out-sourcing**
- **RAPIDS workstations are being revaluated**
  - **Under utilized stations will be moved to other sites**

# How You Can Help

**AFPC**

- **RAPIDS Servers are being migrated to a thin-client web-based application (Beta Dec 04)**
  - **DMDC will not consider Server requests**
- **Relocation requests are formal; 6 weeks written minimum notice required**
  - **TELOS resources must be scheduled**
    - **Supports 900 sites world-wide; 1850 workstations**
  - **There is a cost-association**
  - **Self-help moves will not be approved for Server sites**
